Dear Rev. Riley:

On behalf of the Kids Quest program on July 2015, I would like to thank you for the excellent teaching you did to our kids.

The training to our kids and motivation them to go in the parks was a great deal of knowledge by participating in community. Our feedback has been very positive. Our kids and youth are exiting to do more for our community.

Thank you and your team again for your efforts and professionalism, God bless you.

Sincerely,

Rev. Letty Stepp
Senior Pastor
