To whom it may concern,

We had Rev. JoAnn Riley and her team come to Harvest Time in El Cajon and do a Kids Quest summer outreach. For the 3 days of kids outreach we worked together with the youth group of Hemet Assemblies of God Church, under the leadership of their youth Pastor Becca. Along with our church group and the other two groups we hit the streets passing out flyers inviting families to our evening Meetings. Each meeting grew in size and interest with salvations each time we met. JoAnn organized effective skits, dramas and clowning to entertain the children and parents who attended, they ministered the Gospel very affectively in a fun environment!

By the third Kids Quest meeting on a Sunday morning, we concluded our events and gave out prizes to those attending. Altogether we had over 30 children and adults saved throughout the 3 days of meetings we held in our community. Through Rev. JoAnn's leadership and her teams this was an effective outreach that had a positive effect on our community. There is remaining fruit because of Rev. JoAnn and her team's investment in our church. God bless her fruitful ministry, we highly recommend that she and her team would come and do a Kids Quest outreach in your community!

Psalm 16:11 says,

"YOU WILL SHOW ME THE PATH OF LIFE;
IN YOUR PRESENCE IS FULLNESS OF JOY;
AT YOUR RIGHT HAND ARE PLEASURES FOREVERMORE."
