Dear JoAnn,

Thank you for your willingness to serve as the Assistant National Director of King's Castle USA. As part of your responsibilities, I need for you to visit as many District Superintendents and Missions Directors in Anglo Districts, as well as Hispanic/Latin Districts.

Whenever your schedule allows, I also need you to attend District Youth Conventions and other District events for the purpose of recruiting interns, missionary associates, and volunteers.

You have my complete support and backing to promote King's Castle USA to whomever you wish.

Blessings,

Rev. Bob Aston  
National Director  
King's Castle USA
