Re: JoAnn Riley

Dear District Missions Director,

I am happy to refer to you the ministry and mission of JoAnn Riley. JoAnn has shown a great willingness in assisting urban and ethnic churches to equip their lay leaders for ministering to at-risk children and youth. Her Community Outreach and Resource Development ministry is focused on these great areas of need. JoAnn also trains and disciples interns in reaching at-risk youth and children. Through her ministry, the lives of countless children and youth are being transformed by the power of Christ's love. You will be sure to find JoAnn willing and ready to serve you in these often ignored areas of ministry.

Thank you for your consideration to allow JoAnn Riley the opportunity to minister and share the vision of her ministry in the churches of your District.

Serving God Together,

Tony Cervero
Assistant Superintendent
